**LETTER OF COMPLIANCE
For
ADMINISTRATIVE FINE
No. AF 01-134**

Dear Mr. Bauder:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), received the administrative fine payment of \$1,000 from Tape-O Corporation ("Tape-O"). The payment was in response to the Notice of Proposed Administrative Fine No. AF 01-134 ("the Notice") issued by DES on October 12, 2001. In addition, DES received from Tape-O the reports that had not been submitted as required by Title V Operating Permit TV-OP-001 ("the Permit"), and for which the fine was sought. DES has determined that the specific issues addressed in the Notice have been resolved in a manner consistent with the NH Admin. Rules Env-A 100-3600, NH Rules Governing the Control of Air Pollution. Therefore, DES is issuing this Letter of Compliance to Tape-O.

Please be advised that this letter pertains only to compliance with the air pollution rules and statutes addressed in the Notice. It does not apply to any outstanding compliance issues relative to water or waste rules or other statutes implemented by DES. DES will continue to monitor the compliance status of Tape-O. This letter of compliance does not provide relief against any existing or future violations.

It is important that Tape-O be aware of, and maintains compliance with, all the requirements stipulated in the Permit. Specifically, the semi-annual Permit Deviation and Monitoring report for July through December of 2001 is due on or before January 31, 2002. The annual compliance certification for calendar year 2001 is due on or before April 15, 2002.

If you have any questions regarding this Letter of Compliance or the terms and conditions contained in the Permit, please contact Raymond Walters, Compliance Bureau, Air Resources Division, at (603) 271-6288. Thank you for your cooperation.

Sincerely,

COPY
